## Invest in *Extension's Successful Gardener*<sup>sm</sup>

*Extension's Successful Gardener*<sup>sm</sup> is one of those "good things" in life! Packed with useful information and featuring beautiful photography, *Successful Gardener* is the only newsletter available statewide that's written specifically by horticulturists for our region based on research from the NC State University Department of Horticultural Sciences, the world-renown JC Raulston Arboretum and the NC Association of Nurserymen.

*Extension's Successful Gardener*<sup>sm</sup> is an invaluable resource for all who enjoy a beautiful landscape!

Take advantage of this award-winning, 10-month-per-year newsletter and share a "good thing" with those who are important to you. Here's how!

### Groups that benefit from *Extension's Successful Gardener*<sup>sm</sup>:

- **Garden centers, landscape companies, florist shops:** for walk-in clients or mail it as part of your monthly invoices.
- **Realtors, developers:** for clients at the office, through mailings, or to brighten Open Houses and Annual Meetings.
- **Corporations:** as a benefit to your employees. Happy gardeners make happy employees!
- **Homeowners Associations:** help your members with neighborhood beautification.
